Changes in the Management of Kymsol Oy

Marko Mylläri has been selected as the new CEO of Kymsol Oy. Marko will start in the position no later than December 1, 2023.

Over the past few years, Kymsol has demonstrated its growth potential, and under Marko's leadership, Kymsol will continue to evolve as a reliable provider of demanding projects in the industrial and scaffolding sectors.

Marko enters to Kymsol Oy from his previous role as the Chief Operating Officer at Norrhydro Oy. Marko has several years of experience from his previous career in CEO roles and development tasks related to project business in various companies.

"Developing Kymsol Oy's operations and personnel on its growth path are essential to its success. We want to develop Kymsol Oy the industry leader, working together and in collaboration with other Saimaa Group companies and with dedicated staff," described **Marko Mylläri**.

In the same context, Juha Jokela and Kymsol Oy's board of directors have mutually agreed that Jokela's tenure as CEO of the company will conclude on August 28, 2023. The board thanks Juha Jokela for his contributions to the company and wishes him success in his future endeavors.
